

**MiEarly  
Childhood  
Connect**

# Why?

- **Responding to new State requirements**
  - 2011 - ISDs become fiduciary for GSRP
  - Serve most in need
  - Ensure quality
- **Joint recruitment requirements**
  - Found everyone had their own application, process and enrollment
  - Need to streamline and develop consistency
  - Created a common paper application
- **Stories from the field**
  - Parents were filling out multiple applications and submitting to many agencies for GSRP
  - Need for added transparency
- **Early Childhood Data System (ECDS) created**

# Core Components

- **Community level data**
  - Ability to see continuum, prior to K entry
    - Services children and family have participated
    - Communication logs over time
  - Referrals between agency/programs
- **Road Maps to service**
  - Entry points (Central Access)
  - Gaps in service (child level & community level)
  - Support to get into preschool
- **Help Me Grow**
  - Care Coordination
  - Connection to services/programs
  - Developmental Screening
  - Parenting information
- **GSRP**
  - Enrollment
  - Wait list
  - Head Start Referrals/Approvals
  - Over Income Approvals
  - MSDS count, including P-EBT tracking

Childhood  
Connect

# Alignment with the State of MI Four Outcomes

## 4 Outcomes

1. Children are born healthy
2. Children are healthy, thriving and developmentally on track from birth to third grade
3. Children are developmentally ready to succeed at the time of school entry
4. Children are prepared to succeed in fourth grade by reading proficiently by the end of third grade
